

# BC HYDRO DENTAL BENEFIT

## Eligibility

The BC Hydro retirees can claim up to \$250 per calendar year for dental expenses. All retirees living in Canada are eligible for this benefit. If both members of the family are BC Hydro retirees (with benefits) they are both eligible to claim \$250.

## Coverage and Conditions

- Each retiree will be reimbursed up to \$250 annually for the period January 1<sup>st</sup> to December 31<sup>st</sup>. There are no carry-over provisions.
- The \$250 per year may be used for any dental expenses for the retiree or dependents (must be the same dependents that are covered under the extended health plan).
- If your spouse/partner is covered by a dental plan which only partially pays for dental expenses, you may use the \$250 to cover the portion that is not covered by your spouse/partner's plan.

## Claim Process

- Retain your receipts until you have reached \$250 or less for the year.
- Submit your claim before December 31<sup>st</sup>. Claims for prior years will not be processed if received after January 31<sup>st</sup>.
- Claims will be processed in four to six weeks.
- Enclose original receipts for services rendered or enclose proof of annual premiums paid to a private insurer. Receipts will not be returned so make you own copies for tax credits.
