Dear BC Hydro Power Pioneers,

Thank you for your ongoing support of BC Children's Hospital! It was delightful to be in attendance at your Fall Harvest Jamboree in Penticton. I had a lovely time meeting members of your group, witnessing first-hand the wonderful time you have together, and being able to thank you in person for the great work you do. It was a pleasure to announce to you the renaming of your endowment to The BC Hydro Power Pioneers Ed Turner Memorial Endowment for Medical Genetics – what a wonderful way to celebrate your colleague.

From your Jeans Day participation, to Festival of Trees, your pledge program and more, the BC Hydro Power Pioneers are making a significant difference in the lives of BC's sick and injured kids. Through your fundraising efforts, the BC Hydro Power Pioneers presented a cheque for an impressive \$56,800 at the 20<sup>th</sup> Anniversary Miracle Weekend, held June 2-3 at Global Studios (there is a photo above!). This brings your overall contribution to over \$310,000 since beginning to fundraise for BC Children's Hospital over 15 years ago.

Your support of BC Children's Hospital is giving countless children the ultimate gift: a bright future. It is only through the generosity and support of people like you, and your members, that we are able to continue providing exceptional care to all children throughout British Columbia.

On behalf of BC Children's Hospital, I thank you again for your commitment to child health. Your generosity is truly appreciated.

Best regards,

Amanda Sayfy
