## Volunteer Hour Survey—you can help us help our communities.

Together we can make our communities stronger during the pandemic. By joining Power Pioneers, you can participate in our online Volunteer Hours Survey. The survey will go out in late December. For every member that submits volunteer hours for the 2020 calendar year we will donate \$20 back to your Branch to give back to local charities and non-profits in your community. Don't miss this opportunity, join us today!

Thank you to everyone who has already renewed, and welcome to all who are joining for the first time. We look forward to meeting face-to-face again when safe to do so.
